

## WELCOME NOTE FROM THE CEO/LEAD TUTOR

It is with great pleasure that I welcome you to the learning journey with Green World Group.

Our goal is to build strong partnerships based on trust, ensuring safety, reliability & efficiency with customer focused mindset and finding innovative ways to provide great value to fulfill your needs.

On behalf of the teaching and support teams from all regions of Green World Group, I would like to extend to you a very warm welcome to our learning facility. My name is Sanker Srikumar and I am the CEO/Lead Tutor for a wide range of HSE course portfolios we have on offer and I would also be a point of contact over the duration of your studies across the various learning groups.

The successes which you will achieve whilst at the Institute are based upon a partnership between the expertise and support from our staff here and the effort you put into learning. We welcome students who are eager to think for themselves, to take control of their own learning and who are ready to get involved in developing the skills required in a highly competitive field of Health and Safety. Make the most of the wide range of opportunities available to you.

Studying at institute might seem difficult, and for many of you the transition into vocational training life along with your professional work will be challenging. However, we will support you throughout your course, particularly whilst you develop into an independent learner over the course of your study with us. We believe it is important that you are encouraged to make your own contribution to the effective operation and development of your chosen course. We do hope that you might consider acting as a Course Representative during some of your time with us to help the institute and continue to improve your experience.

I would like to wish you every success with your studies. We look forward to working with you and hope that you enjoy your time with us.
